As to the date of publication of this manual the efficacy of using low level laser for therapeutic purposes, (including for any of the conditions referred to in this text) has not been proved. None of Southern Pain Control Centre., its officers, employees, and agents and the authors of this manual (collectively "SPCC") hold out that the application of Laser therapy will achieve all or any of the benefits referred to or implied in this text or in any other materials prepared by SPCC.

There may be other dangers or consequences associated with the use of low level laser therapy which are not referred to in this manual.

Whilst SPCC has taken care in the preparation of the information in this manual, no responsibility can be taken by SPCC for the way in which it is used. The purchaser operates their Laser equipment at their own risk.

SPCC will not accept any liability for any injury or damages resulting directly or indirectly from the use of any Laser unit, any associated equipment, or the information contained in this manual or any other materials or advice provided by SPCC to the purchaser or any officer, employee or agent of the purchaser.

## INDEX:

Condition:	Page Number:
Achilles Paratendonitis	28
Achilles Tendon Pain	12
Anterior Compartment Pain	10
Anterior Tibial Neuritis	30
Baker's Cyst	5
Beam Types	ii
Broken Ankle Bones (Fracture)	18
Calcaneal Bursitis	15
Calluses	33
Cartilage Injury	6
Cartilage Ligament Injury	7
Clinical Effect Onset Dosage	v
Cruciate Ligament Rupture	9
Dermal Safety	vii
Dislocated Patella	6
Dupuytren's Contracture	27
Electrical Safety	viii
Expressions Of Power	ii
Fascia Lata Strain - Iliotibial Tract Pain	5
Frieberg's Disease	23
Gastrocnemius Muscle Strain	12
Halux Valgus	25
Halux Rigidus	25
Hammer Toe	26
Hoffa's Syndrome	4
Housemaid's Knee	1
Inner Strap Muscle Pain	16
Interdigital Neuritis	16
Intermetatarsophalangeal Bursitis	29
Jumper's/Dancer's Heel	17
Large Vessel Disease	32
Laser Safety	vi
Laser Types	i
Lateral Ligament Strain/Rupture	8
Low Level Laser in Podiatry	i
Lower Kneecap Pain	3
March Fracture	18
Medial Ligament Strain/Rupture	7
Metatarsalgia	19
Morton's Neuroma	21
Mortons Syndrome	23
Navicular Pain	19
Neurovascular Corn	34
Ocular Safety	vi
Osgood Schlatter's Disease	1
Osteochondritis Dissecans	2
Outer Strap Muscle Pain	15
Overexposure Side Effects	vii
Painful Heel Pad	27
Patella-Femoral Pain Syndrome	2
Patella Tendonitis	3
Pes Cavus	24
Plantar Fasciitis	20
Plantar Warts	35
Posterior Compartment Pain	11
Posterior Tibial Nerve Entrapment	30

Reflex Sympathy Dystrophy	31
Review Of Podiatric Anatomy	36
Ruptured Achilles Tendon	13
Semimembranosus Bursitis	4
Sesamoid Pain	20
Shin Splints	11
Small Vessel Disease	32
Splay Foot	21
Soccer Player's Ankle	16
Sprained Ankle	17
Stress Fracture of the Fibula	13
Stress Fracture of the Tibia	11
Subtalar Arthritis	28
Superficial Peroneal Nerve Injury	10
Treatment Methods	iv
